A Rule Is to BREAK!

The anti-instruction manual. Because there are NO RULES! for bad behavior.

"I love this book - my children's new favorite. 'A Rule Is To Break' says: go ahead and throw your best self a party! So glad it exists."
- Kristin Hersh /musician (Throwing Muses), author ('Rat Girl' and 'Toby Snax'), co-founder of CASH Music, and mom.

"How much do I love this idea and its execution? A lot, I tell you."
- Julie Danielson / Seven Impossible Things Before Breakfast

"... A delight to read! A children's book on anarchy seems somehow just right: an instinctive, intuitive sense of fairness, community, and interdependence sits naturally enough with a desire for participatory democracy, feminism, queer-rights, environmental balance, self-determination, and peace and global justice."
- Bill Ayers / author ('To Teach: The Journey in Comics' and 'Fugitive Days'), teacher, Barack Obama's alleged terrorist pal, and grandpa.
